## Verse 1

**D A**  
I have feasted on Your love

Asked for You to fill me up

But I never sought to share Your bread of life

I have taken what You gave  
**E F#m**  
Without giving all I have  
**D Bm C#7**  
But what is love without sacrifice?

You shine into the darkest night

A life that points to You above

God, will you accept this offering?
